

Olympia High School Library

Kindle User Agreement

The Amazon Kindle is a convenient, portable reading device. It is the size of a paperback and capable of holding up to 3,000 books. A student can highlight sections of text, make notes anywhere in the text, or even make a clipping of the entire page if desired - it all shows up under 'clippings', for easy retrieval later. In addition, unfamiliar words can be instantly defined using the onboard dictionary. The chance to use this device is a privilege that we are able to provide to students in this school provided that the students use extra caution and responsibility. Each Kindle (plus cover & power adapter) is **valued at \$252.00**. For this reason we require a parental signature before a Kindle can be loaned to a student.

Parent Responsibilities and Permission

I am authorizing the assignment of a Kindle to my child. I understand that it is to be used as a tool for reading and learning and that my child will comply with the OSD Acceptable Use Policy* and the Kindle User Agreement. I will help ensure the safe and timely return of the Kindle within the loan period of two weeks; I also understand that I am financially responsible for any willful, malicious, or accidental damage to the Kindle as well as any charges resulting from content downloaded to the Kindle without written permission from the Olympia High School Teacher-Librarian, Ms. Koss-Warner. I understand that my child may lose future loan privileges of the device if the Kindle is either damaged or not returned in a timely manner.
